COURSE FACULTY

Dr. Aditya Patel is a certified specialist in Periodontics and is a registered Fellow in the Royal College of Dentists of Canada. In 2012, Dr. Patel graduated from the Doctor of Dental Surgery program at the University of Toronto. Following graduation, he enrolled in the Masters of Periodontics program at Dalhousie. During his residency he became well-versed in providing care in all aspects of periodontic specialty treatment and dental implantology. Dr. Patel is a member of the Canadian Academy of Periodontology, American Academy of Periodontology, Canadian Dental Association, International Association of Dental Research and the Nova Scotia Dental Association. He currently works full time in private practice in Halifax, Truro, and Sydney, Nova Scotia. He enjoys teaching and is involved in the Graduate Periodontics department and the undergraduate DDS program at Dalhousie Faculty of Dentistry.

Dr. Chris Cameron is a certified Periodontist and a Fellow of the Royal College of Dentists of Canada. He is an active member of the Canadian Academy of Periodontology, the American Academy of Periodontology, the Canadian Dental Association and the Nova Scotia Dental Association. Dr. Cameron graduated from Dalhousie University, Faculty of Dentistry in 2004, receiving the American Academy of Periodontics award for outstanding performance in periodontics. Following two years of general dentistry practice in Halifax, he continued his dental education by attending in 2007, a residency program in periodontics at the University of Manitoba, Faculty of Dentistry. Graduating in 2010, he completed a Masters of Dentistry with research focused on a novel method of training periodontics residents in surgical procedures. In addition to teaching part time in the Graduate Periodontics department at Dalhousie, Dr. Cameron works full time in private practices in Halifax and Truro Nova Scotia.

Dr. Nader Hamdan is an Assistant Professor and Director of the Graduate Periodontics Program at Dalhousie University. Dr. Hamdan obtained his first dental degree in 1999, practiced general dentistry for 12 years before pursuing an MSc in Dental Sciences program at McGill University. Dr. Hamdan went on to complete a three-year specialty program in Periodontics at the University of Manitoba. In 2016, he obtained a second master's degree - a Master in Dentistry (Specialty: Periodontics), became a certified periodontist by passing the Canadian National Dental Specialty Examination and later became Fellow of the Royal College of Dentists of Canada (FRCD(C)). Dr. Hamdan was also Certified as a Diplomate "Specialist in Periodontology and Dental Implant Surgery" by the American Board of Periodontology". He has many scientific publications between articles, book chapters, and books and was an invited speaker nationally and internationally.

Dr. Anil Sachdev graduated with Bachelor of Dental Surgery (BDS) from the Welsh National School of Medicine in 1974. Following graduation, he proceeded to complete his Prosthetics certificate at the London Eastmen Dental Institute. Following his arrival in Nova Scotia, Dr. Sachdev completed the 2 year program in Periodontics from Dalhousie University. Currently he works full time in private practice and enjoys all aspects of periodontics.
